DEARBORN COUNTY RECYCLING CENTER

HHW DISPOSAL

10700 Prospect Ln. | Aurora, IN 47001

Household Hazardous Waste is accepted from
Dearborn County residents only.

Monday-Friday 9am-4pm and Wednesday 9am-6pm

What is Household Hazardous Waste and what should you do with it?

Household Hazardous Waste (HHW) is any unusable or unwanted product found in your home, garage, shed or barn that can be hazardous to plants, animals, humans or the environment if it is not disposed of correctly. HHW should never be put in the trash, poured down the drain/on the ground, or burned.

Follow these procedures to properly handle HHW:

1. Make sure the substance is in a leak-proof container.
2. If possible, keep original label on container/with substance.
3. Bring HHW to the Recycling Center during Drive-Through hours.

Common HHW Items

Garden and Workshop

- Fertilizers
- Pesticides
- Weed sprays
- Bug sprays
- Rodent poisons
- Oil-based paints/stains
- Thinners & strippers
- Acetone
- Epoxy/adhesives
- Water repellents
- Pool chemicals
- Propane tanks

Kitchen and Bath

- Oven cleaners
- Furniture polish
- Bleach
- Drain openers
- Tub & tile cleaners

Garage and Auto

- Brake fluid
- Transmission fluid
- Wax, polish, & cleaner
- Car paint & solvents
- Propane cylinders
- Mercury switches
- Refrigerants
- Grease & degreasers
- Grout & caulk
- Sealants
- Tar/sealers/solvents
- Gasoline & kerosene

Personal Care

- Hair dyes
- Perm chemicals
- Hair spray (aerosol)
- Nail polish
- Perfume

Water-Based Paint (Latex)

Donate usable water-based paint during Drive-Through hours. Paint must be in original container, with label, be at least 1/3 full and cannot have been frozen. Paint that doesn't meet these requirements should be disposed of with regular trash after it has been dried. To dry paint quickly, use cat litter, concrete or a similar thickener.
