Dearborn County Recycling Center Video Contest

The Dearborn County Recycling Center wants your school, class or club to create a public service message about recycling in a 1 to 3 minute video.

We want to see why you think recycling is important, the types of materials you recycle, how the community benefits from recycling, and what we can accomplish when we all work together to recycle.

It's a simple video project that can earn your group a Recycled Hand Chair.

All videos and entry forms must be emailed to Stefanie at educator@dearborncounty.in.gov by **May 15, 2020**. A winner will be chosen, and their video will be posted on the DCRC's website and social media accounts in time for Earth Day 2020.

Prizes

The winning group will receive a Recycled Hand Shaped Chair, and the winning video will be featured on the DCRC website and social media accounts. The winner may choose from red, orange, gray or blue chair colors.

Eligibility

All participants must be in grades 4-12 during the 2019-2020 school year. Submissions must be from a Dearborn County school, class, or student group. Individual student submissions may be made on behalf of a Dearborn County school, class, or student group. The prize will be awarded to the organization, not the individual. All videos submitted must be accompanied by the attached entry form. Links for the video are acceptable.
