

DEARBORN COUNTY RECYCLING CENTER

RECYCLED MULCH

Made from nearly 100% recycled rubber tires, including tires from Dearborn County.

Benefits of rubber mulch:

- Long lasting and low maintenance
- 8-10 year warranty*
- Will not compress or flatten out
- Will not rot, mold, or mildew
- Allows more water and fertilizer to reach the plant roots
- Inhibits insects and rodents
- Controls weed growth
- Splinter-free
- Natural wood look
- ADA compliant per ASTM F1951

Applications

- Home landscaping
- Playgrounds
- Schools
- Arena footing
- Business landscaping
- Day care centers

*10-year warranty when used in landscaping applications, 8-year warranty when used in playground applications
